FAST FORWARD

BRAND NEW, BEST-IN-CLASS, CARBON NEUTRAL UNITS ON ONE OF LONDON'S MOST ESTABLISHED INDUSTRIAL / LOGISTICS PARKS

ESTATE REGENERATION

SEGRO is redeveloping seven existing units to create three new warehouse / industrial units. The estate will benefit from a new 24/7 manned security gatehouse and upgraded access road, making for improved estate security and accessibility.

CUSTOMER BENEFITS

Warehouse specification to maximise efficiencies, offering generous yard depths, up to 10m eaves heights, dock and ground level loading doors and parking spaces available for each unit on a new regenerated secure estate.

LOCATION

A proven location for immediate access to the A40 and M40. Benefitting from an experienced local workforce with easy accessibility with Greenford Main Line and Underground (Central line) Station within 0.7 miles of the estate entrance.

SUSTAINABLE

Carbon neutral base build, use of renewable energy incorporating photovoltaic panels and LED lighting. Targeting BREEAM 'Excellent' and an A+ EPC rating.

EPC A+

WELLNESS ENABLED

Improved landscaping in addition to a new pocket park (Unit A) and acoustic fences to create a considered, comfortable and relaxing environment. Electric car charging facilities can be found onsite.

AIMING FOR THE FOREFRONT

EXTENSIVE REGENERATION ACROSS THE ESTATE

The wider redevelopment of the estate will create a new secure modern place for work, from a new 24/7 manned security gatehouse and upgraded access road to improved landscaping and acoustic fences designed for a comfortable and considered environment. Electric car charging facilities will be provided onsite.

SEGRO PARK FAIRWAY DRIVE

SEGRO

SEGRO is a UK Real Estate Investment Trust (REIT), listed on the London Stock Exchange and Euronext Paris, and is a leading owner, manager and developer of modern warehouses and industrial property. It owns or manages 9.7 million square metres of space (104 million square feet) valued at £23.8 billion serving customers from a wide range of industry sectors. Its properties are located in and around major cities and at key transportation hubs in the UK and in seven other European countries.

For over 100 years SEGRO has been creating the space that enables extraordinary things to happen. From modern big box warehouses, used primarily for regional, national and international distribution hubs, to urban warehousing located close to major population centres and business districts, it provides high-quality assets that allow its customers to thrive.

A commitment to be a force for societal and environmental good is integral to SEGRO's purpose and strategy. Its Responsible SEGRO framework focuses on three long-term priorities where the company believes it can make the greatest impact: Championing Low-Carbon Growth, Investing in Local Communities and Environments and Nurturing Talent.
