and warehousing space.

major motorways.

Time to make it yours:

Co-create with design and build.

THE TIME IS NOW

In our impatient world, we want everything now. On demand. On time. Every time.

Manufacturers and logistics companies are the everyday heroes making 'now' possible, from just-in-time assembly line workers to schedulers, packers and drivers. We are creating SEGRO Park Coventry to help businesses thrive in the Age of Now. A gateway to markets, suppliers, skilled workers, all minutes from major motorways.

If timeliness is the heartbeat of your business, SEGRO Park Coventry puts you in the right place at the right time to satisfy our impatient, demanding world.

It's time.

To meet the sustainability aspirations of our customers, we can deliver the highest EPC ratings and BREEAM 'Excellent'.

We deliver. On time, to quality, every time. With over 100 years of experience, 1,400 customers and over 1 million sq m of space under construction.

Our purpose is to create the space that enables extraordinary things to happen. SEGRO Park Coventry gives you that space.

3.7 million sq ft of general industrial and distribution space (B2 and B8), including a first phase of two speculative units (140,000 sq ft and 220,000 sq ft).

Just south of Coventry centre, less than 25 minutes to six major motorways.

Our site, your building. So you can create a facility that meets your needs exactly.

LOCATION: ULTIMATE TIMESAVING DEVICE

Lateness costs. In a just-in-time, just-on-time world, late employees and late deliveries cost you productivity and efficiency. Ultimately, lateness costs you customers.

SEGRO Park Coventry puts you close to customers, close to suppliers and close to workforce. 85% of the UK's population are within a 4-hour HGV drive. And with six motorways all within 25 minutes, its super-connected location brings pace to a world where it's the fastest – not just the fittest – that survive and thrive.

TIME OUT **(SIDE)**

Green is good: for the mind, for the soul. The 'park' in our development's name is not some marketing weasel word. We are creating a 100 hectare biodiverse landscape where those working on site can relax and recharge in more natural surroundings. For a coffee break, or lunchtime with a side of green calm.

TURN COMMUTE TIME INTO QUALITY TIME

Quality time, family time... 'me' time. We all need it to thrive. But we all struggle to make time for it.

SEGRO Park Coventry is more connected, more accessible, more local. Local to a workforce who can even cycle to their jobs and with access to a wide range of bus services. Less time commuting means more time for bedtime stories, more time with family and friends, more time to explore Coventry - the UK City of Culture 2021. And as every business knows, a happy workforce is a productive workforce.

Hello local. Hello me time.

KNOWLEDGE AND SKILLS, MINUTES AWAY

For over 100 years, the craftspeople of Coventry made the city famous for precision engineering. Of cars. Of watches. The very symbols of connectivity and time. That tradition of skilled work continues today.

SEGRO Park Coventry's connections and location put a large, skilled workforce all within a 30-minute drive. For many, it's a short bike ride. Local authority planning will see the number of households and workers continue to grow. With the city's ecosystem of colleges and vocational training, Coventry is keeping up its tradition as home to the skilled workforce that makes business tick.
